The first payment for each plan is due no later than February 1, 2007. The Extended Payments are due monthly for the indicated number of months.

*If the beneficiary is currently in school, find his or her grade as of September 1, 2007. For purposes of this table, a beneficiary who is now in preschool or kindergarten is not considered to be in school. If the beneficiary is not in school find his or her age as of September 1, 2007.

**To calculate the total amount you will pay for your PACT contract on a monthly payment plan, multiply the total number of payments times the monthly payment amount. The total will be greater than the lump sum contract price. The interest rate for monthly accounts is 8.25%.
